Dear Members of the University,

We hope you have settled in and had a good start of the Fall Semester. Under the COVID-19 Vaccination / Regular Testing Requirements, we will be organizing another round of “Group Booking Appointments for COVID-19 vaccination” for the convenience of all University members – including staff families, domestic helpers and regular service contractors on campus.

You will need to have **EITHER** a HKID card **OR** a valid landing slip together with your travel documents to be eligible to join the vaccination program.

If you are HKUST members with an ITSC account, please make your own reservation at this link ([for HKUST members](#)). If you are registering for your family members, domestic helpers and regular service contractors on campus, please use this link ([for non-HKUST members](#)).

Here are the details of the program:

Vaccination center: Tseung Kwan O Sports Centre, 9 Wan Lung Road, Tseung Kwan O

Vaccine provided: Fosun Pharma (BioNTech)

Date and time: First dose, 20-24 September 2021 (10:00 am); Second dose, 11-15 October 2021 (10:00 am).

Free shuttle bus will be arranged to the Community Vaccination Center, leaving the campus Piazza at 9:30 am.

Quotas are limited and appointments will be allocated on a first-come-first-served basis.

Please note that the TKO Sports Center provides only BioNTech vaccines. If you want SinoVac vaccines, you may choose other Community Vaccination Centres. For locations and other questions about COVID-19 vaccination, please refer to the Government COVID-19 vaccination [website](#).
